# **WHOLESALE PRICE LIST**

**FOR MEMBERS OF THE TRADE ONLY**

**W**E OFFER herein a complete list of hardy ornamental nursery stock. Our nursery of one thousand acres affords material to meet practically every need in landscape development. Stock is well grown and supplied with a fibrous root system which is of vital importance in the success of a planting.

With few exceptions the plant names used conform to "Standard Plant Names" as adopted by the Joint Committee on Horticultural Nomenclature.

This catalog cancels all previous price lists.

**OUR PRICES ARE NOW NET  
NO DISCOUNTS**

and are adjusted competitively.

**Horton Nurseries, Inc.**  
Route 20, One Mile East of Painesville  
**PAINESVILLE, OHIO**

PLEASE READ CAREFULLY

## **NEW TERMS AND CONDITION OF SALE**

**TERMS:** To those having an established credit with us we offer **2% discount** for payment within **ten (10) days** from date of invoice or net 30 days. Interest at 6% will be charged on past due accounts.

Credit may be established with us by supplying satisfactory references. Please allow us sufficient time to investigate same.

If goods are desired C.O.D. the order must be accompanied by one-third deposit to guarantee acceptance.

**PRICES:** F.O.B. the nursery at Painesville, Ohio. Prices do not include packing. A charge will be made at cost for boxes and material needed in baling. Stock specially selected by customers at the nursery will be charged according to its value.

**We give no warranty**, expressed or implied as to quality, description, productiveness or any other matter of any nursery stock that we sell.

**GUARANTEE OF GROWTH:** Due to the perishable nature of nursery stock we cannot guarantee growth. If properly cared for, losses should be limited to an occasional plant which may be lost for no apparent reason. The success or failure of a planting beyond the normal loss is in the hands of the planter. Our method of handling and packing stock is modern and goods will be in good condition and well packed when they leave our hands.

**ALL CLAIMS** for errors must be made within six days after receipt of goods or positively will not be considered.

**SHIPPING:** We are in a position to arrange bulk deliveries of large orders by truck. Combinations of orders to make a truck load can usually be arranged. Small orders will be shipped via rail freight, motor freight or railway express as per instructions from the customer. We recommend bulk delivery by truck as affording the fastest delivery and involving the least amount of handling. **All goods travel at the purchaser's risk and expense.** If goods are damaged in transit, claim should be made at once to the transportation company.

We have discontinued our retail trade in order to better take care of our wholesale customers. We hope you will cooperate along this line by ordering in wholesale quantities only.

The production of many of the plants in this list represents no little effort. More than a few items are not profitable which accounts for their general scarcity, but on the other hand they are indispensable to good landscape work.

Since we specialize in the execution of complete planting lists we aim to keep our assortment unbroken. To that end we hope you will co-operate by ordering material in reasonable assortment. We cannot always accept orders which are confined to plants that are scarce and our stock of which is limited.

# Cross Index

Our list is arranged in alphabetical order of Botanical names. This cross index will help you to find the correct Botanical name when you know the common name.

Common Name	Botanical Name	Common Name	Botanical Name
Abelia	Abelia	Creeper	Parthenocissus
Acanthopanax	Acanthopanax	Cryptomeria	Cryptomeria
Actinidia	Actinidia	Cudrania	Cudrania

Schedule of B&B Charges .....	166

# DECIDUOUS AND EVERGREEN TREES, SHRUBS AND VINES

We recommend that all items marked with an asterisk be lifted with a ball of earth and sewed in burlap. Experience has shown that the loss of these plants, which is otherwise high, is reduced to a minimum if handled in this way. This will involve extra charges, a schedule of which will be found on the last page. In all instances where "B&B" is indicated these charges are included in the printed price.

The figures printed in light face type following the common name, indicate the approximate height of the plant at maturity.

This is our new method of growing shade trees. They are adequately spaced for forming good heads with irrigation over the top. Between the trees we grow our hedges.

A block of Norway Maple (*Acer platanoides*)  
 $1\frac{1}{4}$ - $1\frac{1}{2}$ " caliper. These trees are all well headed,  
 with clean straight trunks.

We can also supply in limited quantity the following varieties of Japanese Flowering Cherries propagated from the collection at Highland Park, Rochester. They are available as follows:

3 to 4 ft. ....	3.50	3.00
4 to 5 ft. ....	4.00	3.50
5 to 6 ft. ....	4.50	4.00
6 to 8 ft. ....	7.00	6.00

8-10 ft. and 10-12 ft. specimens quoted on request

**Amanogawa** — semi-double pale pink

**Gioiko** — semi-double pale yellow

**Hata-zakura** — semi-double white

**Horaizan** — double pink

**Hosokawanioui** — semi-double flesh

**Kuramayami** — double pink

**Kwanzan** — **syn. Sekiyama** — double deep pink

**Miyako** — double pink

**Shirofugen** — double light pink

**Shogetsu** — double soft pink

**Sumizome** — double purplish pink

Our named varieties of Japanese Flowering Cherries are grown on the Japanese type stocks. While the common practice of grafting on the European Mazzard Cherry stock is a cheaper method of propagation, it results in short-lived trees, which difficulty is overcome by using Japanese stocks.
